“And Someone We’ll Never Forget . . .”

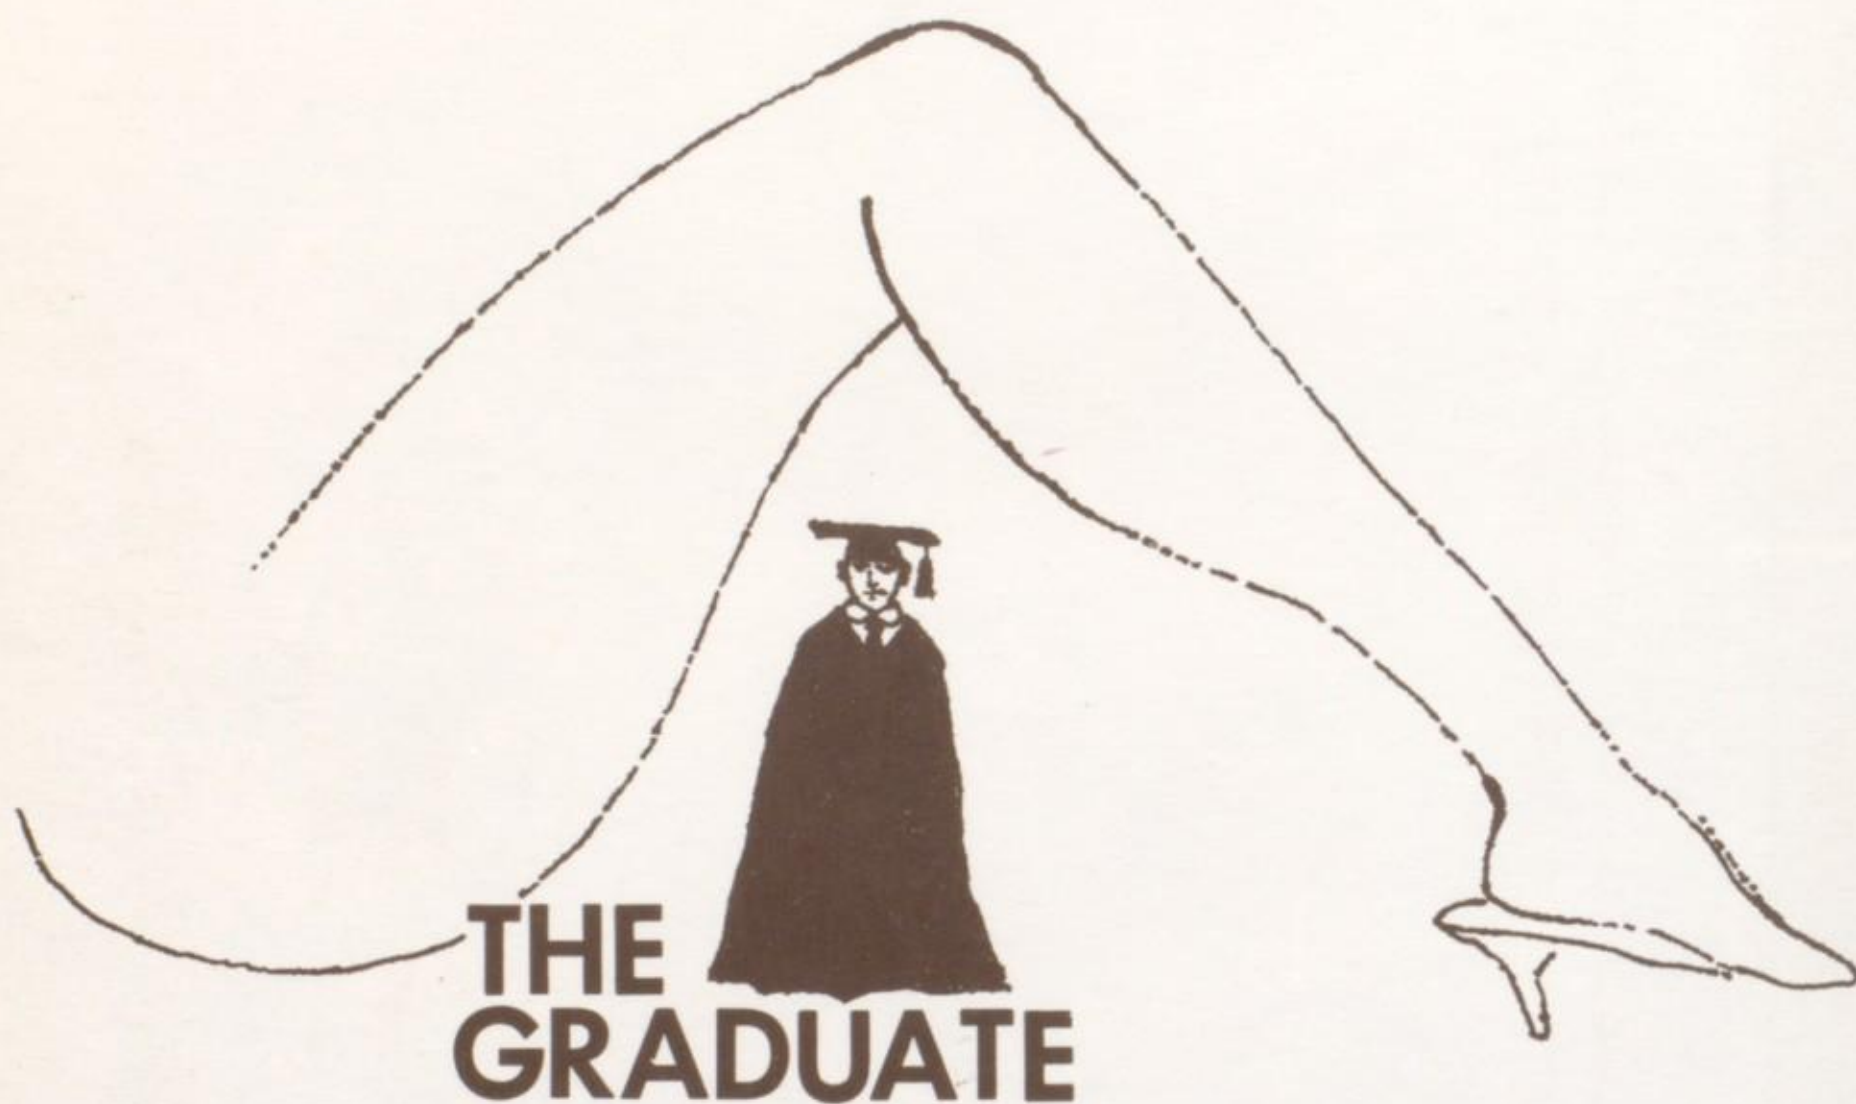

*Now time and the river
must stop in their tracks,
or roll on forever-
there's no turning back.
So drawing me along with the
even flow,
I join the brimming river,
for some may come and some may go,
but the spirit of me shall go on with
the river,
that is calling me home.*

In 10 years: an archeologist or traveling around the world. Will Never Forget: when I went to Tahoe with Becky and the rest of the gang, the trip to Carmel, mystery rides, night trips to S.F., seeing Clint Eastwood play tennis and Michael Douglas in S.F., getting the car stuck on Brighton with Sue and having is pushed, going to Carl's and being chased by the police, and all of the other fun times with my friends. LAURA GARIBALDI; Socializing at the corner, pool, and parking lot; talking to all of the guys that used to be around. Memories: Drinking all of those gallons of coffee at the doughnut shop, and all of those interesting rap sessions in Mr. Parrish's class. In 10 years: Hopefully happily employed, rich, and not fat and dumpy. Will Never Forget: The time I met C. C. in the art room by the potters wheel, being a mime in the art show and getting crazy.
